**JUNIOR
GOLF 2012**

Being a 'naturally sporty' child is not a necessity to enjoy golf, and the SCGS Junior Program is designed to improve both skill level and confidence, while of course having heaps of fun!

Golf is great exercise and a very disciplined sport which teaches honesty, respect and good manners, which hopefully continues into our every-day life.

We teach the children:

- Swing technique
- Chipping
- Bunkers
- Putting
- Golf course etiquette
- Basic understanding of golf rules.

Our program runs in line with the NSW school terms and dates for 2012 are listed overleaf.

The SGCS Junior Program runs throughout each school term at Eden Gardens Country Club and Bega Country Club.

These clinics are popular and the kids have a great time. **Bookings are essential.**
